Notes for Guidance

Welcome to the Firefighters' Pension Scheme 2015.

We have sent you this form in order that you can tell us about any pension rights that you may have with other employers or bodies.

Please fill it in now or you could lose out on valuable benefits.

Please read the following notes before completing all sections of this form.

Section A ~ Personal Details

Please provide full and accurate information including your National Insurance number and date of birth.

Previous surnames may be required in order to find previous pension rights.

Section B ~ Pension Scheme Election

The Firefighters' Pension Scheme 2015 is a very valuable benefit, and you should think very carefully before deciding whether or not to be a member. Remember, if you decide not to join the pension scheme, you are making a choice which will not only affect your pension rights, but also those of your spouse, children or other dependants in the event of your death. If you want further information on these benefits, please call the Pensions Helpdesk on 0300 323 0260.

Section C ~ Previous Pension Rights

It is essential that you let us know about any other pensionable service you may have, a personal pension or any other pension arrangement.

Please give us as much information as possible; if you have copies of correspondence from your previous pension arrangement you may find it easier to forward such copies.

Note

Please note you only have 12 months from the point you join the scheme to transfer any previous pension rights. You will not be given the opportunity to transfer after this period unless your employer allows an extension to this 12-month deadline.
